Roskill Swim News

ISSUE 2 2016

Our very own Zane Rademaker has been named a 2016 delegate for the annual exchange held between the Californian Surf Lifesaving Association and NZ Surf Lifesaving Northern Region. Zane and Pia Goldsmith, both Senior Surf Lifeguards, will be travelling to California on the 25th June to attend a 6 week programme visiting the different agencies that are part of the Californian Surf Lifesaving Association. They will get the opportunity to take part in patrols, use different rescue equipment and learn about alternative beach management programmes. Zane and Pia have been fundraising to help cover the costs of the trip by running a Quiz night and selling supporters T shirts. They also have a givealittle page for anyone who would like to support this great cause: <https://givealittle.co.nz/cause/sendzaneandpiatocali>

Upcoming Meets

Level 3	26 June
Greerton Winters	8-10 July
ASA Winters	22-24 July
Level 1	13 August
Level 2	20 August
Level 3	21 August

Committee News

Welcome back to Cameron Pool! After a term of renovations and a few delays it is great to finally get everyone back to our 'home' pool.

End of Season

This swimming season is nearly at an end with the 2016/17 season starting on 1st July. The annual club membership fee will be the same as last year ie \$150. There has been a small increase to the ASA/SNZ levies making the total to pay \$250. This year registration will be processed through the SNZ database. We will email you all closer to the time with more details on how this process will work. Please note: you will not be able to submit entries for meets until the fees have been paid as all swim meet entries will also need to be done by parents through the database. Please contact Sandra if you do not have a login set up yet.

Club Meets

Many thanks to all our parents and swimmers who helped at our L3 Meet on 7th May and our Level 1 Meet on 11th June. Hosting meets are an opportunity for the club to raise much needed funds which benefit all club members. It takes a lot of helpers to run a meet and we sincerely thank all who helped out. We received very positive feedback from Ross Bragg (Referee) who helped us at both our meets. Roskill have 1 more swim meet to host this year (L3 on 16 Oct). We need all club members to help out so please put this in your diary now.

"It is such a pleasure working with a pleasant, positive group of people. Your organisation ensures each meet is a success"

Ross Bragg, Referee

Congratulations to the following parents who have recently gained Officials qualifications.

Mike Oberdries—Qualified Timekeeper

Danielle Brown—Qualified IOT

Frank Wu—Qualified Timekeeper

Maree Wilson—Qualified IOT

Susan Jarvis—Qualified timekeeper

More Officials Needed

We currently have 4 parents training as IOTs (Inspector of Turns) and 1 as a trainee JOS (Judge of Stroke)— these parents are invaluable to us and are helping our club move in the right direction. Officials from IOTs upwards are in short supply within Auckland Swimming and we will not be in a position to run or attend meets without our dedicated parents who go on to become qualified at this level. Our goal is for parents to qualify as timekeepers within a short time frame of a swimmer making it to Level 2. If you think you have done 6 timekeeping sessions or more at meets let us know that it is time for you to become qualified and we will sort it! Remember, for you to enter your swimmer into meets it is a requirement that you assist at meets ... and it is way more fun being where the action is on pool deck, which you can only do if you are swimming, coaching or working as an official.

New Committee Members

We are thrilled to have 3 new committee members join our team this year, thank you for putting your names forward: Wayne Kira, Martyn Dunkley and Peter Kregting.

Health and Safety

The committee has been updating the Club's health and safety policies and procedures to reflect the recent changes in health and safety legislation. Roskill Swimming Club is committed to ensuring the safety and wellbeing of all its coaches, swimmers and spectators.

The YMCA have also updated their policies and procedures to align with the new legislation. As users of the facilities managed by the YMCA our swimmers, parents and coaches are expected to abide by the policies and rules outlined by the YMCA. Please remind your swimmers of our expectation that they following all instructions by their coaches and the rules and regulations set out by YMCA to ensure their safety and the safety of others at all times.

If you have any queries or happen to notice a hazard, please do not hesitate to contact the Lifeguards on duty or your child's coach.

ASL Term 3

As you know, we have been co-hosting the ASA League with Central City for 2 terms now. In Term 2 2016 we introduced Primary and Intermediate schools league to the competition. We have had such a positive response from the teams/parents who have been turning up to league – it is quite exciting. Swimmers can swim in Primary/Intermediate School League and Junior League teams. We need to get this information out to our local Primary and Intermediate schools and get them signed up for the round in Term 3. **Parents, this is your chance to get a group of swimmers together from your child's school and take on the role of managing and coordinating a school team.**

Dates for Term 3: 30 July, 6 Aug, 13 Aug, 27 Aug, 10 Sept. This is a fun competition that provides a pathway for new swimmers to get excited about swimming as a sport and hopefully more members into our club. Please contact us if you would like to be involved.

USA Trip

As you will be aware, some of our competitive swimmers will be heading to Cincinnati in the US in the first two weeks of December 2016. The team will be billeted with the Powel Crosley Jr. YMCA Tigersharks and will also attend a couple of local swim meets. The team are currently fundraising to bring the cost down so keep an eye out for upcoming fundraising events and help support our team. If you would like to be part of this exciting event there is still time to join in, please contact De-Anne Sills for more info: secretary@swimroskill.co.nz

Coaching Report

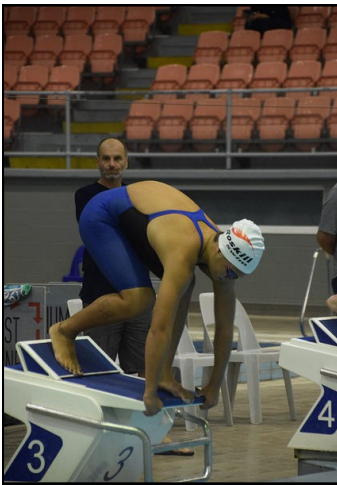

Firstly, how great to be back at our home pool! Good to see everyone starting to settle back in, and welcome to our new swimmers who have recently joined our club. Awesome job by all swimmers at our recent Piha Camp, it was good to see so many juniors on camp and really enjoying it. We are now all getting ready for the Greerton Winter Meet and camp and then moving onto Auckland Winter Champs. A holiday timetable has been sent out so make sure you are up to date. Liam will be helping me with the holiday sessions. It was a while back now, but I would like to say a huge well done to our team that went to Nationals, they represented Roskill proudly. Thanks to Jackie and Dawn-Lee (Team Managers) for ensuring everything ran smoothly. Finally I would like to wish Zane the best of luck and hope he learns a lot from his experience in California.

Keep up the hard work everyone, and keep reaching for your goals!

Josh Munro, Head Coach

SuperCity Aquatics Director/Owner

Good luck to our US based swimmer Jonathan Rutter, who is representing Roskill Swimming Club and New Zealand at the Oceania Championships 2016 in Fiji.
