

Upcoming Events

We have a lot happening over the next few months and 2017 is fast approaching so here are some key **events** for you to take note of. We will send out more information on individual events closer to the time, this is just to give you all an idea of what is coming up (and there will be more!).

We have been successful in our tenders for running club meets in 2017 and we need all hands on deck to run these so please make a note of these dates in your diary now.
